

Attention News Editors: Upcoming Industry Event

Vector Aerospace to Celebrate Opening of Engine Service and Parts Distribution Centre in Western Canada

September 2, 2010

Members of the media are invited to attend the Grand Opening of Vector Aerospace Corporation's (Vector) newest engine service centre; Vector Aerospace Engine Services Atlantic-Calgary. This new addition to the Vector family offers a variety of specialized services for the Pratt & Whitney Canada PT6A, JT15D and PW100 series engines; including parts distribution for the PT6A and JT15D engines.

VIPs scheduled to be in attendance include:

- **Brian Thompson**, president of Vector Aerospace Engine Services-Atlantic
- **Jeff Poirier**, vice-president of customer service for Vector Aerospace Engine Services-Atlantic
- **Stephan Poirier**, vice-president and chief commercial officer for the Calgary Airport Authority
- **Devinder Shory**, member of the legislative assembly (MLA) for North-East Calgary
- Western Canadian aircraft operators
- Members of the Calgary business community

A comprehensive overview of Vector's capabilities can be viewed at www.vectoraerospace.com

NOTE: Aviation and business media are encouraged to attend.

A buffet lunch will be served on completion of the formalities

Date: Thursday, September 9, 2010

Time: 12 p.m. – 2p.m.

**Location: Vector Aerospace Engine Services-Atlantic (Calgary)
#15-47 Aero Drive NE, Calgary**

A media release will be issued on the morning of September 9th, 2010; prior to the Grand Opening event.
